The fashion show will showcase the best of Italian fashion. There will be some of the most important clothing firms to represent 'made in Italy'. The latest spring/summer 2009 & ready fashion autumn / winter 2008-2009 collections will be present on the runway. The models will show at its best Italian style, quality, attention to details and the great Italian tailoring tradition.

The organization DALL'ITALIA derives from the experience of LITAMEDIA. It promotes international fashion shows in different fields such as: clothing, events related to marketing and cultural events. DALL'ITALIA, in order to create point of contacts between fashion and other forms of creativity, above all visual arts (design, architecture, cinema, photograph, and advertising) organizes cultural events.
